

ANNUAL RETURN 2015/16

TOWN COUNCIL MEETING

REPORT 60/15

12 SEPTEMBER 2016

The purpose of this report is to complete the External Audit process for the financial year 2015/16.

No. DETAIL

1) INTRODUCTION

- a) The External Audit is based on the Annual Return that includes headline figures from the Annual Accounts, the Report of the Internal Auditor and the Annual Governance Statement signed by the Mayor.
 - b) The Town Council accepted the completed Annual Report and authorised the Mayor's signature in Minute 86/16 of its meeting of 13 June 2016.
-

2) COMPLETION

- a) The Annual Return was signed off by BDO LLP on 16 August and received back by us on 31 August.
 - b) The External Auditor's Report is unqualified, stating: *on the basis of our review, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.*
 - c) The Town Council's remaining responsibility is to ensure the public display of Sections 1 to 3 of the Annual Return for 14 days.
 - d) A copy of the Annual Return is attached to this report for information.
-

3) MINOR ISSUES

- a) The Auditor has identified two minor issues for the Town Council to note.
 - b) The first is that: *the [Town Council] has included grant monies received in Box 2 rather than Box 3. The error was the inclusion of an amount of £3,948 that was received in the same payment as the Precept that should have been included in Box 3's Other Receipts.*
 - c) The second is: *The comparative figures disclosed in Section 2 of the Annual Return do not agree to the audited Annual Return for the year ended 31 March 2015. The comparative figures for the year ended 31 March 2015 were restated as the [Town Council] has changed its basis of accounting. We have reviewed the adjustments made and we are satisfied they are correct.*

Guidance notes on completing the 2015/16 annual return

1. You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent work by the auditor. NALC, SLCC and ADA have helplines if you want to talk through any problem you encounter.
2. Make sure that your annual return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the smaller authority, properly initialled and explanation provided. Annual returns containing unapproved or unexplained amendments will be returned and may incur additional costs. **Smaller authorities must approve the annual governance statement before approving the accounts.**
3. Use the checklist provided below. Use a second pair of eyes, perhaps a Councillor or Board Member, to review the annual return for completeness before sending it to the external auditor.
4. Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must tell the external auditor about any change of Clerk, Responsible Finance Officer or Chair.
5. Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your smaller authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the accounting statements (**Section 2 on page 3**). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
6. Explain fully significant variances in the accounting statements on **page 3**. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide* to assist you.
7. If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge. **From 2016 onwards, you must inform the auditor of the date set for the commencement of the period for the exercise of public rights.**
8. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2015) equals the balance brought forward in the current year (Box 1 of 2016).
9. Do not complete Section 3 which is reserved for the external auditor.
