

# BRING BANK BINS

---

**TOWN COUNCIL MEETING**

**REPORT 16/15**

**9 FEBRUARY 2015**

---

The purpose of this paper is to inform Members of a proposal to move the Bring Bank Bins from their current site in Old Station Road to the Dudley Road Car Park.

---

**No.   DETAIL**

---

**1)   BACKGROUND**

- a) An email from the Isle of Wight Council's Simon Dennis, Team Leader Communities and Environment, Procurement and Contract Management Unit, attached to this Report requests the Town Council's advice on a proposal to move the Bring Bank Bins from their current site in Old Station Road to the Dudley Road Car Park.
  - b) This has been prompted by increasing commercial fly tipping around the bins – evidenced in the images attached to the email – that increases the likelihood that the Bins will be removed by the Isle of Wight Council.
- 

**2)   OPTIONS**

- a) Simon Dennis asks the Town Council's view of a possible move to the Dudley Road Car Park or for suggestions of any other suitable site for them.
  - b) His email has been acknowledged and he has been assured that the Town Council's views on the matter will be shared with him following decisions made at this meeting.
