

ESPLANADE CCTV CAMERA

TOWN COUNCIL MEETING

REPORT 15/15

9 FEBRUARY 2015

The purpose of this paper is to ask Members to respond to a request from the franchise holder for Ventnor Beach to install a CCTV camera on the First Aid Hut.

No. DETAIL

1) BACKGROUND

- a) Sophie Blake is planning to install CCTV cameras to provide coverage of the Beach Huts that are subject to expensive damage.
 - b) In order to secure complete coverage of the huts, she has requested the Town Council's permission to install one of the cameras on the First Aid Hut which, as Members are aware, the Town Council leases from the Isle of Wight Council.
-

2) PROPOSAL

- a) Her diagrammatic representation of the area and the proposed site of this camera is attached to this Report.
 - b) Access to the First Aid hut for monitoring of the camera will not be required.
 - c) If the Town Council accepts the request, it will also be necessary to obtain the owner's consent.
