

# LEAD RESPONSIBILITIES

TOWN COUNCIL MEETING

13 JUNE 2011

The purpose of this Report is to confirm the emerging arrangements for allocating lead responsibilities to Members.

**No.   DETAIL**

**1)   BACKGROUND**

- a) From the informal arrangements of recent months Members have taken on responsibilities for progressing the Town Council's commitments in areas where they already have relevant knowledge and experience.
- b) As the Town Council has moved on from its previous focus on the Winter Gardens and more possibilities for effective Town Council action have emerged and, in order to identify and deliver specific objectives in line with the corporately agreed approach, it will be advantageous to identify and extend lead role responsibilities.
