

# VENTNOR DAY 2019

---

TOWN COUNCIL MEETING

REPORT 81/18

13 AUGUST 2018

---

The purpose of this paper is to ask Members to revisit the decision of the July Town Council meeting on the date for Ventnor Day 2019.

**No. DETAILS**

---

**1) BACKGROUND**

- a) The Town Council's discussion at its meeting of 9 July of the date for Ventnor Day settled on 22 June.
  - b) As the Notes of the 24 July meeting of the Community Development Working Group's discussion of Ventnor Day record, the change of date was a matter of concern:  
*We discussed the problems arising from the Town Council decision to hold the 2018 event in June and agreed to ask the Council to reconsider retaining the first Saturday in July as the now established day for it while ensuring the direct involvement with any other local events on the same day.*
- 

**2) VENTNOR DAY 2019**

Rather than attempting to summarise the reasons for the Community Development Working Group's concerns and those of the event's organiser Tony McCarthy, I have asked Tony to attend this meeting for further discussion of the 2019 date.
