

LEESON ROAD

TOWN COUNCIL MEETING

REPORT 15/24

8 APRIL 2024

The purpose of this Report is to introduce a motion and supporting information from Councillor Steve Cooper.

NO. DETAILS

1) BACKGROUND

Councillor Cooper's motion and supporting information is attached to this Report, regarding the reinstatement of Leeson Road to traffic.

Leeson Road - Motion

I hereby ask all Ventnor Town Councillors to actively call upon the Isle of Wight Council to seek out every measure and opportunity to reinstate the Leeson Road link into Ventnor town, as a vital transport route for the town's survival.

Other measures such as alternative road or rail links into the town should also be seriously considered by the Isle of Wight Council in association with infrastructure professionals and members of HM Government.

Where appropriate, Ventnor Town Council supports and calls for partnership working with our MP, other island councillors, pressure groups and businesses, to enable rigorous and robust lobbying of central government and HM opposition to take place on a regular and constructive basis. With the final objective being to obtain survival funding for the town to put in situ, all necessary infrastructure to secure the town's future and the foundations to not only survive, but to flourish.

Cllr Steve Cooper, Mayor of Ventnor Town Council
