ENVIRONMENT AND TRANSPORT COMMITTEE

PAPER E

15 JULY 2025

The purpose of this Report is to ask members to consider the installation of mosaics at the Paddling Pool.

No. DETAIL

1) BACKGROUND

The Mosaic Group has approximately 13 mosaics with Ventnor scenes.

2) PROPOSAL

It is proposed that the mosaics are placed on the wall by the Paddling Pool. If agreed, they could be installed by the Maintenance Manager. The location would be away from the road so that they can be viewed and photographed safely by visitors. The location would also protect the mosaics as much as possible from inclement weather.

3) RECOMMENDATIONS

It is recommended that members agree to:

The placement of Ventnor themed mosaics at the Paddling Pool.
